

Visit to Acciaierie Bertoli Safau SpA (ABS) facilities - 28 October 2025

The ESTEP Annual Event 2025 will take place at the Università degli Studi di Udine – Biblioteca Rizzi. The event also includes a visit of the Acciaierie Bertoli Safau SpA (ABS) facilities on 28 October 2025.

The site tour will start from the Biblioteca Rizzi (Via Fausto Schiavi 44, 33100 Udine (Italy)). Buses will be foreseen for the plant visit. In order to ease the visit, participants will be divided into 2 groups and will visit alternatively both facilities.

08.30 : Registration at Biblioteca Rizzi

09.00 - 12.45 : Visit of steelmaking facilities (Group 1) + Visit of QWR 4.0 (Group 2)

12.45 - 13.45 : Lunch

13.45 - 17.00 : Visit of QWR 4.0 (Group 1) + Visit of steelmaking facilities (Group 2)

19.30 - 22.00 : *Networking aperitif at Palazzo Antonini-Stringher*

Also open to non-participants of the site visit. Registration is required

SAFETY INFORMATION

For the visit, it is necessary to:

- wear a pair of sturdy shoes
- wear dirt-resistant clothing (no skirts allowed)

Protective equipment (helmet, glass, visibility jacket) will be provided by ABS
