

**SAVE THE DATE**

**NOVEMBER 26, 2025**

**SMS CAMPUS, MÖNCHEGLADBACH**

**EUROFER**  
THE EUROPEAN STEEL ASSOCIATION

**SMS group**

Joint event by ESTEP, REA and EUROFER | Host: SMS group

A COLLABORATIVE DIALOGUE ON THE

# THE FUTURE OF EU STEEL RESEARCH – HOW TO FOSTER EU STEEL LEADERSHIP

#turningmetalsgreen

## Objectives of the event:

Join leading industry experts, engineers, researchers, and funding agency experts for a full-day event:

- » Dive into groundbreaking technologies, uncover strategies for achieving sustainability goals, and tackle the pressing challenges shaping the EU steel industry.
- » Dissemination of steel R&D projects in Europe and beyond, focusing on:
  - Low to zero emission iron and steel production.
  - Closing the Loop: Raw Materials, Circularity, and Industrial Symbiosis.

*Detailed agenda will follow soon*
