

Miikka Nieminen, EUROFER

Miikka Nieminen has worked as the Senior Manager, Public Affairs for EUROFER, the European Steel Association for the last 6+ years. In addition to following the EU policies such as climate and environment, he also coordinates the Social Affairs Committee at EUROFER and the Sectoral Social Dialogue Committee on Steel together with industriAll. He is also EUROFER's contact person for the ESSA project.

Previous to EUROFER, Miikka worked 10 years as a political adviser to a Finnish Member of the European Parliament. He holds a Bachelor of Business Administration degree from the University of Lincolnshire & Humberside.
